8. That the terms and conditions agreed upon and duly signed by the customer shall be legal and binding before any authority or court of law, until such a time any amendment, rectification or termination with mutual consent of all parties takes place.

Dormant Account

1. An e-Money account that has registered no transaction for a consecutive period of 12 months shall be considered dormant. In order to limit the possibility for third party misuse of such an account, the EMI shall adhere to the following:
 - a. the relevant customer shall be notified no less than one month before the 12 month mark is reached that the account will be suspended unless there is some form of activity;
 - b. the customer would then be advised to perform a transaction to keep the account active or to close the account and should be provided with instructions as to how to do so;
 - c. if no activity has still taken place when the 12 month mark is reached, the EMI shall block the account and permit no further transactions until reactivated by the customer, supported by the original ID used to open the account. The EMI shall notify the customer that the account is blocked and provide instructions on how to reactivate it;
